e-Granthalaya 4.0

e-Granthalaya: A Digital Agenda for Automation and Networking of Government Libraries - is a Digital Platform developed and maintained by National Informatics Centre, Ministry of Electronics and Information Technology, Government of India. Under the platform, NIC Provides Library Management Software with Digital Library Module and Cloud Hosting facility to Government Libraries on request basis. The Software is a Cloud Ready Application; and uses PostgreSQL - an Open Source DBMS as back-end solution. The Software is multi-lingual, UNICODE compliant, provides an online data entry solution and compliance with library standards.

"The cluster of e-Granthalaya 4.0 on the NIC Cloud is dedicated to the libraries and resource centers established under the National Training Centers of Indian Railways. The IRITM Library is also a member of e-Granthalaya 4.0."

Details required for member registration:-

Name :

Designation :

D.O.B :

D.O.J :

D.O.R :

Email id :

Mobile No. :

Address :

Resi. Address :

Office Address:

The above details for creating e-Granthalaya login Id have been sent to IRITM Central Library on email-id: libraryiritm@gmail.com

After registration, library members can set their password, view their profile, update it regularly, check for overdue books, and see the total number of transactions they've made. They can also access books related to their subject or interests by clicking the menu to discover the latest books, journals, and articles.
