tation in Bid
Buyers may now seek clarifications and call for missing / lacking documents from Bidders, online through GeM portal, during technical evaluation of Bid, for proper evaluation of bids.This facility is available for all Bids with technical bid opening date after 12-08-2020.
Sellers whose Bid have been disqualified in technical evaluation by the Buyer may now review the reasons of rejection and raise a one-time representation to challenge rejection for any incorrect disqualification within 48 hours after technical evaluation is completed by the buyer. Buyer will be required to respond to all such representation before proceeding with the financial bid opening.
